## RESULTS OF THE INSPECTION BLITZ IN TEXAS

The Commercial Vehicle Safety Alliance's International Roadcheck held June 6-8 in Texas resulted in 8,182 commercial vehicles being inspected out of which 1,938 of those (or 23.6 percent) were placed out-of-service. The department says issues with brakes and defective vehicle lighting were among the most common violations that led to out-of-service orders. 225 drivers were also ordered out-of-service for driver's license violations, improper logs and hours-of-service violations. Texas DPS issued a total of 1,994 citations and 22,346 warnings during the 72-hour Roadcheck event.
