CVSA'S ANNUAL OPERATION SAFE DRIVER WEEK

The Commercial Vehicle Safety Alliance's annual operation safe driver is scheduled this year July 15th to the 21st. This year's focus will be on traffic violations, seatbelt enforcement, driver road side inspections and driver regulatory compliance.

CVSA's President Capt. Christopher Turner of the Kansas Highway Patrol says driver behavior is the cause of more than 88 percent of large truck crashes and 93 percent of passenger vehicle crashes.

Driving behaviors that will be targeted during the week include speeding, distracted driving, texting, failure to use a seat belt, following too closely, improper lane change, failure to obey traffic control devices and more.

If you have any questions, please contact the Safety Department at ext. 1304 or email us at ssandri@nalogistics.com.

And remember..... Safety is not a choice is a must..... Drive safely!
